CDCP Application Code Log

JOB-READY SMILE · SHEET ___ OF ___

1 **Right after they submit,** copy the application code from the last screen. It only shows once.

2 **When the letter comes** (within 30 days), write the date and their coverage start date.

3 **Book on or after the start date.** Care before then isn't covered.

SIN **Never write a SIN here.** The code is all anyone needs to follow up.

Checking on an application? The resident calls 1-833-537-4342 or uses the CDCP status checker at canada.ca. They'll need this code and their own SIN. If it can't be found right away, try again in a couple of days.

This sheet holds residents' names, so keep it somewhere private. Coverage is decided by the Canadian Dental Care Plan, not by Aviation Dental. Aviation Dental is not part of the Government of Canada. Fresh copies: aviationdental.com/jobreadysmile/cdcp-walkthrough
